“ Maxine and Dan were neighbors of mine many years ago in the apartment building in Greensburg, PA where we were all young families starting out. I have many fond memories of Maxine and her sense of humor and her compassion. I talked with her last year, and we reminisced about some of our hilarious adventures in those wonderful days. My love and prayers to Dan, Tracy, Mark and Kelly, and know that I loved her, too.

“ Always one of my favorite people. Have many fond memories of conversations when she would call or come by the office! She always could make me laugh! I am thankful to have known her for the past 28 years. Much love and many prayers for her husband, children and grandchildren that I love and consider to be more than just friends.

“ I was lucky enough to grow up next door to the Fodors. Kelly was one of my dearest friend. Mrs Fodor and my mom were friends as well. Even after they moved away my mom and Mrs Fodor kept in touch by sending letters or picking up the phone to say Hi or catch up on each others family. My prayers and Love goes out to Mr Fodor and you Kelly,Mark, and Tracy and your families. God Bless you all.

“ I love the Fodor Family! Maxine was a loving mother who always prepared for and took care of her family! She was an amazing role model who kept me in her thoughts and prayers during the darkest time of my life! When I was going through cancer and chemo, she wrote me a letter every week for a year. I looked forward to her letter every week! She kept me positive and hopeful! I loved her before my diagnosis and even more afterwards! Maxine kept me alive and she knew what she was doing! I will always be grateful to her! I will miss her and I know that she is at peace!
